

VINEYARD PEST MANAGEMENT

Join the Hungry Owl Project for an informative afternoon on methods of pest management in vineyards.

*Friday, July 24th
2 p.m. - 5 p.m.
at Spring Mountain Vineyard
2805 Spring Mountain Rd., St. Helena*

Come enjoy estate grown wine and hors d'oeuvres. Hear about Spring Mountain Vineyard's success in using environmentally friendly solutions for pest management from vineyard manager, Ron Rosenbrand. Learn about the Western Bluebirds he is using from a 'bluebirds in vineyards' expert Julie Jedlicka. Practical information on how to eliminate pests such as rats, mice, gophers and moles will be shared by Alex Godbe of the Hungry Owl Project and Thomas Wittman of Gophers Limited.

For directions go to www.springmountainvineyard.com
To purchase limited tickets, \$30, send a check payable to "Wildcare/HOP" to HOP Vineyard Event, c/o 179 The Alameda, San Anselmo, CA 94960. This is a ticketless event, so please include your name and contact information with the check if you want a confirmation email OR email info@hungryowl.org to reserve a spot and then mail payment to above address.
For more information about the event call 510/525-8059.
